Le Spighe

design Claudio Silvestrin

Una nuova interpretazione dello sgabello da bar. Il poggiapiedi si protende a sbalzo a partire dal sedile e il disco morbido della seduta sembra galleggiare sopra al seggiolino in legno di noce americano. Il risultato è uno sgabello di grande fascino, realizzato con materiali e finiture scelti per durare a lungo. Sedile rivestito in Pelle Frau®. Basamento e poggiapiedi in acciaio cromato. Lo sgabello, girevole, è disponibile anche nella versione regolabile in altezza.

A new interpretation of the bar stool. The footrest extends out from the seat, and the soft disc that forms the seat, would seem to float above this American walnut wood stool. The result is a stool that can only be described as fascinating, made with materials and finishes that have been chosen for their durability. Seat upholstered in either Pelle Frau® leather. Chrome-finished steel base and footrest. This swivelling stool is also available in a height-adjustable version.

C'est une nouvelle interprétation du tabouret de bar. Le repose-pieds est légèrement en saillie par rapport à l'assise, constituée d'un disque souple qui semble flotter sur la structure portante en noyer américain. Le résultat est un tabouret particulièrement séduisant, réalisé avec des matériaux et des finitions choisis pour durer. Le siège est revêtu de cuir Pelle Frau®. Le socle et le repose-pieds sont en acier chromé. Le tabouret pivotant existe aussi en version réglable en hauteur.

Eine neue Interpretation des Barhockers. Die Fußstütze springt freitragend aus dem Sitz vor, die weiche Sitzscheibe scheint über dem Sitz aus amerikanischem Nussbaum zu schweben. Das Ergebnis ist ein faszinierender und langlebiger Hocker, der mit ausgewählten Materialien und Endbearbeitungen gefertigt ist. Der Sitz ist mit Pelle Frau®-Leder bezogen. Das Untergestell und die Fußstütze sind aus verchromtem Stahl. Der Drehhocker ist auch in höhenverstellbarer Ausführung lieferbar.

Una nueva interpretación del taburete de bar. El reposapiés sobresale del asiento y el disco blando de este parece flotar sobre el sillón de madera de nogal americano. El resultado es un atractivo taburete, fabricado con materiales y acabados seleccionados para garantizar una larga vida útil. Asiento revestido de piel Pelle Frau®. Base y reposapiés de acero cromado. El taburete, giratorio, se halla también disponible en la versión de altura graduable.

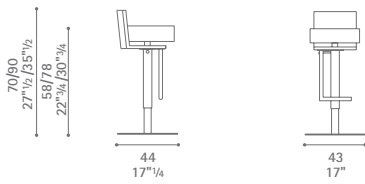

斬新なデザインのバー・スツール。座面から伸びるフットレスト、柔らかな円形の座面がカナレット・ウォルナット材の座席上に浮かぶかのような印象を与えます。大変魅惑的なデザイン、耐久性のある素材と仕上げ。

張地は Pelle Frau® ベッレフラウ®。土台とフットレストはクロムメッキのスチールです。スツール、回転スツール、高さを調節できるモデルも用意しました。
