Tecnologico e modulare. Protagonista di questo sistema di sedute e tavoli è una trave traforata in acciaio su cui poggia la struttura in profilati d'acciaio color grigio alluminio metallizzato. Un esempio perfetto di concezione innovativa dell'arredare. I cuscini sono in piuma d'oca con inserto in poliuretano espanso. I piani dei tavoli sono in granito nero lucidato al piombo, in vetro Float con trattamento opacizzante o in ardesia lucidata al poliestere. Rivestimento in Pelle Frau® oppure in tessuto.

Technological and modular. The star of this seating and table system is a pierced steel cross beam on which the metallic aluminium grey steel profile structure rests. A perfect example of innovative furnishing design. Cushions are in goose down with a polyurethane foam insert.The table tops are available in lead polished black granite, in Float glass with a frosted finish or in polyester polished slate. Upholstery is available in Pelle Frau® leather or alternatively in fabric.

Technologique et modulaire. L'élément essentiel de ce système de sièges et de tables est une poutrelle en acier percée de trous, sur laquelle prend appui la structure en profilés d'acier gris aluminium métallisé. Un parfait exemple d'une conception novatrice dans l'ameublement. Les coussins sont en plumes d'oie avec insert en mousse de polyuréthane. Les plateaux des tables sont en granit noir poli au plomb, en verre float opacifié ou en ardoise polie au polyester. Le revêtement est en cuir Pelle Frau® ou en tissu.

Technologisch und modular. Ein durchbrochener Stahlträger, auf dem das Gestell aus metallic-aluminiumgrauen Profilstahl ruht, ist der Protagonist dieser Reihe von Sitzmöbeln und Tischen. Das perfekte Beispiel eines innovativen Einrichtungskonzepts. Die Kissen sind aus Gänsedaunen mit einer Einlage aus PU-Schaumstoff. Die Tischplatten bestehen aus schwarzem Granit mit Bleipolitur, aus mattem Floatglas oder aus Schiefer mit Polyesterpolitur. Der Bezug ist in Pelle Frau®-Leder, oder in Stoff.

Tecnológico y modular. Un travesaño perforado de acero sobre el que se sostiene la estructura perfilada de color gris aluminio metalizado, es el protagonista de este sistema de asientos y mesas. Las mesas pueden ser de granito negro bruñido con plomo, de vidrio Float con tratamiento opacificante o de pizarra bruñida con poliéster. Revestimiento de piel Pelle Frau® o bien con el tejido.
